

10/2018

Alabama Electronic Security Board of Licensure (AESBL)

The following are approved by AESBL for Continuing Education Training:

All training conducted by the Alabama Alarm Association -

WEB SITE: www.alabamaalarm.org

PHONE: 877-425-2576

All training approved by the Electronic Security Association (ESA) - National Training School (NTS)-

WEB SITE: www.esaweb.org

See: Professional Development, On Line Training and ESA-NTS Skills Courses

All Associated Locksmiths of America (ALOA) Continuing Education Courses

WEB SITE: www.aloa.org/education/

All training conducted by the Alabama Locksmith Association -

WEB SITE: www.locksmithala.org

PHONE: 205-552-8200

All training conducted by TOOLS Tennessee Locksmith Association –

WEB SITE: www.tnlocksmiths.org

PHONE: 865-475-7454

Manufacturer Representatives' Training - All training sessions, which are conducted by representatives of manufacturers are approved Continuing Education Training, provided: the manufacturer submits a brief summary of the training and verification of the representative trainer to AESBL; and individual certificates are awarded, signed by the trainer and specify the number of training hours received.
